

All,

Again this year your BeSTOW team is promoting and supporting the Bullet Proof Mind & Marriage seminar being hosted locally by Badge of Hope. Several officers and their spouses have attended this event over the past 2 years and the feedback has been very positive. Posters and cards promoting the event will be displayed and distributed throughout the department. The below information was provided by Badge of Hope.

 Hello Law Enforcement Officers & Families! 

This one day event was created just for you as a LEO, police wife, police husband, or if you are both officers. It will address several issues that make our relationships challenging as law enforcement families, in hopes that we can make our minds and marriages bulletproof. We have large group sessions, 2 breakout sessions with 3 options per session and a powerful ending to the seminar. Ask off today as Registration is now open for discounted tickets. Please go explore: www.leomarriages.com. The price will increase April 1 and we must cap attendance at 300.

Last July 2016, we had over 170, with 45 agencies and 8 states represented. This year is going to be bigger! Whether you've been married 40 years or are dating, this encouraging event will give you a LE ONLY perspective on  THE BULLETPROOF MIND AND MARRIAGE.  Build lasting friendships with other blue family from across the nation, while gaining practical insight to address the struggles we face behind the line. This event will be Saturday, July 22, 2017 from 7:30-5pm in Lenexa, KS.

This year will feature world renowned Lt. Col. Dave Grossman of Killology and Ret. USMC Sgt. Jim Bontrager of Warrior on the Wall as well as a breakout session just for the gals by author/speaker Kristi Neace with Badge of Hope Ministries.

Hope to see you this summer!

If you and/or your spouse would like to attend this seminar the department will cover your registration. Note the discounted price for registration prior to April 1, 2017.

If you would like to register contact Tina Guthrie to assist with registration and payment.

On behalf of your BeSTOW team,

Wade Lanphear
